

# BBRS01

## REPAIR STATIONS

### OVERVIEW

The Leda Securabike BBR01 Bike Repair Station is a durable and user-friendly maintenance solution designed to support cyclists in public, commercial, and recreational environments. Equipped with a full range of essential bike repair tools securely attached by cables, it allows riders to perform basic repairs and maintenance on the go. The station includes a robust work stand to hold bikes in place, making repairs more convenient and efficient. Constructed from heavy-duty, weather-resistant materials, the BBR01 is built to withstand outdoor conditions, ensuring long-term reliability. Ideal for bike paths, transport hubs, workplaces, universities, and public spaces, this repair station promotes cycling accessibility and encourages a self-sufficient cycling culture.

Choose Securabike for your bicycle parking needs, and experience the quality and reliability that comes from our extensive expertise in the industry.
